| <b>Signals</b>           |   |   |   |     |     |     |      | 8   | 1.5      | 12.00  | Signals                       |
| Visual                   |   |   |   |     |     | 9.0 |      | Appropriate signals but have to show quicker; uses mix of rules book and own comments only when action occurs; although signals are clear they are misleading at times; audible and precise but multiple bursts for one action.   |          |        |                               |
| Verbal                   |   |   |   | 7.0 |     |     |      |   |          |        |                               |

| Whistle                  |   |   |   |     | 8.0 |     |      |   |          |        |                               |
| <b>Rules Application</b> |   |   |   |     |     |     |      | 9   | 2.5      | 22.50  | Rules Application             |
| Understanding            |   |   |   |     |     | 9.0 |      | Applies correct rules but appears unsure - tends to change calls too much; applies literal meaning of rule when intent may be more appropriate.   |          |        |                               |
| Spirit of Rule           |   |   |   |     |     | 9.0 |      |   |          |        |                               |
| <b>Judgment</b>          |   |   |   |     |     |     |      | 8   | 3        | 24.00  | Judgment                      |
| Determining Control      |   |   |   |     |     | 9.0 |      | Calls change of control correctly, sometimes late; usually consistent within match but varies call in different matches; makes right call on edge but delayed too much.   |          |        |                               |
| Consistency              |   |   |   | 7.0 |     |     |      |   |          |        |                               |
| Edge of Mat              |   |   |   |     | 8.0 |     |      |   |          |        |                               |

| Recognition              |   |   |   |     |     |     | 10.0 | Calls made without hesitation; consistent from match to match.  |          |        |                               |
| Consistency              |   |   |   |     |     |     | 10.0 |   |          |        |                               |
| <b>Match Control</b>     |   |   |   |     |     |     |      | 9   | 1        | 9.00   | Match Control                 |
| Communication            |   |   |   |     |     |     | 10.0 | Always communicates correctly, clearly, concisely; composed, in control, at times less assertive; individual matches move along but delays event between them.  |          |        |                               |

|         |      |             | 40-100 |

**IMPROVEMENT PLAN**

1. Concentrate on being more verbal all the time; 2. Strive for consistent judgment all the time from match to match; 3. Keep looking for mat opportunities to fine tune your officiating.
