Stalling

- ▶ Recognition
 - Use your knowledge of the sport to help you determine whether or not a wrestler is stalling
 - Look for sincere effort in movement
- ▶ Consistency
 - Call stalling the same throughout the match and event
 - Determine criteria and apply it regardless of situation, pressure, and flow of match

Stalling

- ▶ CWOA has developed a DVD that addresses this topic in detail
- ▶ Presented by Dave Frisch, experienced college and high school official with several NCAA Division I finals to his credit
